## Submittal Requirements Update

The Land Development Manual Volume 1, Chapter 1 Project Submittal Requirements was approved by the City Council October 2, 2001 and is effective immediately.

Submittals prepared using the May 1, 2001 draft version of the [Project Submittal Requirements](#) will be accepted until November 3, 2001.

The most current version of the Project Submittal Requirements can be found at our web site:  
<http://www.sandiego.gov/development-services>

Following is a list of the major changes to the submittal requirements:

- In addition to most Discretionary approvals, the complex construction projects listed(not all inclusive) below will require a submitted completeness review with \$200 fee prior to full submittal.
  - Commercial/Office buildings over three (3) stories
  - Assembly occupancies (churches, schools, restaurants with multiple dining rooms, etc.)
  - Multi-family building over three (3) stories
  - Multi-plex theaters/auditoriums
  - High-rise buildings
  - Commercial parking structures
  - Multi-story shopping centers
  - Partial permits (foundation/structural frame for complex projects)
  - Other projects deemed complex by project submittal staff
- Projects missing major elements as identified in the Project Submittal manual will require a resubmittal with an additional \$200 submitted completeness review fee.
